LAND DEVELOPMENT ENGINEERING SURVEYOR **– Queenstown Office –**

We have a vacancy for an experienced Surveyor / Land Development Engineer, to join our busy Queenstown office. This provides an opportunity for a practical and experienced professional to manage a variety of land development and construction projects within the Queenstown area. All applications and enquiries will be treated in strictest confidence.

We are seeking a highly motivated Surveyor who can exhibit the following attributes :

- Experience in subdivision design using 12d model software, cadastral surveying and construction contracts and supervision
- Relevant Tertiary qualification
- Effective communication and collaboration skills
- Ability to think independently and manage projects with a high degree of autonomy

We offer the following:

- A variety of interesting and challenging projects
- A friendly office
- Attractive salary and conditions
- Ongoing professional development and support
- Employment in a vibrant and growing town

For more information, or to lodge an application, please contact :

Steve Winter, Principal, Paterson Pitts Group, 1092 Frankton Road,
Queenstown Phone : 03 441 4715
