LICENSED CADASTRAL SURVEYOR

Christchurch Office

We have a vacancy for an experienced New Zealand Cadastral Surveyor to join our busy Christchurch office. This position provides an opportunity for a practical, organized, and experienced professional to manage a variety of cadastral projects as well as overseeing other surveyors and mentoring as appropriate. Local Christchurch post-earthquake cadastral experience will be looked upon very favorably, although not essential.

If you:

- Are a highly motivated person with effective communication, collaboration and leadership skills
- Are able to think independently and manage projects with a high degree of autonomy
- Are experienced in New Zealand subdivision, cadastral and landonline environments
- Effective communication, collaboration, and leadership skills

We would like to hear from you.

We can offer:

- Flexible working hours from 24 up to 40 hours fulltime
- A variety of interesting projects
- A friendly office
- Attractive salary and conditions
- Private medical insurance
- Ongoing professional development and support

Applicants for these positions must have experience in the NZ Cadastral system and be a NZ resident. All applications and enquiries will be treated in strictest confidence.

For more information, or to lodge an application, please contact:

Graham Lindsay, Practice Manager
